

# SUBJECT INDEX—VOLUME 84

CPC = Clinicopathologic Conference; E = Editorial; LE = Letter to the Editor; MSS = Medicine, Science, and Society

## Abscess

Actinomyces meyerli breast abscess (LE), 369

Pneumococcal lung abscess (LE), 793

Pseudallescheria boydii brain abscess. Complication of an intravenous catheter, 359

Pyogenic cervical osteomyelitis presenting as a massive prevertebral abscess in a patient with rheumatoid arthritis, 363

Rothia dentocariosa endocarditis complicated by brain abscess, 352

## Acetazolamide

Side effects of acetazolamide: the champagne blues (LE), 979

## Acid-base balance

On the mechanism by which chloride corrects metabolic alkalosis in man, 449

## Acquired immunodeficiency syndrome

Acquired immunodeficiency syndrome-associated arthritis, 810

Association of human immunodeficiency virus infection and autoimmune phenomena, 82

Central nervous system histoplasmosis. An unappreciated complication of the acquired immunodeficiency syndrome, 215

Changing patterns of infectious diseases, 569

Cholestasis and disseminated cytomegalovirus disease in patients with the acquired immunodeficiency syndrome, 218

Clinidamycin in cerebral toxoplasmosis (LE), 800

Clostridium difficile colitis following antiviral therapy in the acquired immunodeficiency syndrome (LE), 1081

Disseminated Mycobacterium haemophilum infection in two patients with the acquired immunodeficiency syndrome, 640

Endocrine disorders in men infected with human immunodeficiency virus, 611

High-grade lymphomas complicating HIV infection in intravenous drug users (LE), 368

Listeriosis: an uncommon opportunistic infection in patients with acquired immunodeficiency syndrome. A report of five cases and a review of the literature, 182

Pneumocystis carinii thyroiditis, 303

Rectal leishmaniasis in a patient with acquired immunodeficiency syndrome, 307

Sulfadiazine-induced crystalluria in a patient with the acquired immunodeficiency syndrome: a reminder (LE), 791

To help the sick: an historical and ethical essay concerning the refusal to care for patients with AIDS (MSS), 135

Treatment of central nervous system toxoplasmosis with pyrimethamine/sulfadiazine combination in 35 patients with the

acquired immunodeficiency syndrome. Efficacy of long-term continuous therapy, 94

## ACTH

Ectopic ACTH syndrome caused by a bronchial carcinoid tumor responsive to dexamethasone, metyrapone, and corticotropin-releasing factor, 760

Total suppression of cortisol excretion by ketoconazole in the therapy of the ectopic adrenocorticotrophic hormone syndrome, 1063

## Actinomyces meyerli

Actinomyces meyerli breast abscess (LE), 369

## Acute mountain sickness

Side effects of acetazolamide: the champagne blues (LE), 979

## Acute nonlymphoblastic leukemia

Potential role of interleukin-1 as the trigger for diffuse intravascular coagulation in acute nonlymphoblastic leukemia, 240

## Acute nonlymphocytic leukemia

Recurrent fungal pneumonias in patients with acute nonlymphocytic leukemia undergoing multiple courses of intensive chemotherapy, 233

## Acyclovir

Acyclovir-induced renal failure. Clinical course and histology, 1067

Clostridium difficile colitis following antiviral therapy in the acquired immunodeficiency syndrome (LE), 1081

## Addison's disease

Lymphoma presenting with adrenal insufficiency. Adrenal enlargement on computed tomographic scanning as a clue to diagnosis, 169

## Adenocarcinoma

A new chest mass in a 49-year-old man with a transplanted kidney (CPC), 121

Diethylstilbestrol, clear cell adenocarcinoma, and striking discoveries in Norway (LE), 184

## Adenoma

A new chest mass in a 49-year-old man with a transplanted kidney (CPC), 121

## Adrenal disease

Development of Nelson's syndrome in a patient with recurrent Cushing's disease. Analysis of secretory behavior of the pituitary tumor, 319

Ectopic ACTH syndrome caused by a bronchial carcinoid tumor responsive to dexamethasone, metyrapone, and corticotropin-releasing factor, 760

Lymphoma presenting with adrenal insufficiency. Adrenal enlargement on computed tomographic scanning as a clue to diagnosis, 169

Overnight clonidine suppression test in the diagnosis and exclusion of pheochromocytoma, 993

Reduced specificity of the clonidine suppression test in patients with normal plasma catecholamine levels, 419

Total suppression of cortisol excretion by

ketoconazole in the therapy of the ectopic adrenocorticotrophic hormone syndrome, 1063

## Adrenocorticotrophic hormone

Ectopic ACTH syndrome caused by a bronchial carcinoid tumor responsive to dexamethasone, metyrapone, and corticotropin-releasing factor, 760

Total suppression of cortisol excretion by ketoconazole in the therapy of the ectopic adrenocorticotrophic hormone syndrome, 1063

## Adverse effects

Acute dystonic reaction to cocaine (LE), 564

Acute neurologic and psychiatric complications associated with cocaine abuse (LE), 978

Acyclovir-induced renal failure. Clinical course and histology, 1067

Amelioration of vincristine neurotoxicity by glutamic acid, 1018

Anti-thymocyte globulin overdosage—risk or potential benefit? (LE), 369

Association of hyperinsulinemia with chlorpromazine toxicity, 33

Azathioprine hypersensitivity. Case report and review of the literature, 960

Benzodiazepine withdrawal: overview and implications for the treatment of anxiety, 1041

Central catheter infections: single- versus triple-lumen catheters. Influence of guide wires on infection rates when used for replacement of catheters, 867

Chloroquine neuromyotoxicity (LE), 566

Clostridium difficile colitis following antiviral therapy in the acquired immunodeficiency syndrome (LE), 1081

Diethylstilbestrol, clear cell adenocarcinoma, and striking discoveries in Norway (LE), 184

Encainide-induced hyperglycemia, 39

Ethylene glycol intoxication: evaluation of kinetics and crystalluria, 145

Factors predisposing to seizures in seriously ill infected patients receiving antibiotics: experience with imipenem/cilastatin, 911

Focal segmental glomerulosclerosis in patients receiving lithium carbonate, 951

Gastrointestinal bleeding in patients receiving long-term anticoagulant therapy, 683

Health hazards of nitrite inhalants, 479

Histochemical demonstration of iron but not aluminum in a case of dialysis-associated osteomalacia, 775

Hungry bone syndrome: clinical and biochemical predictors of its occurrence after parathyroid surgery, 654

Intravenous immunoglobulin prophylaxis causing liver damage in 16 of 77 patients with hypogammaglobulinemia or IgG subclass deficiency, 107

(Continued on next page)

**Adverse effects (cont'd.)**

- Massive hepatomegaly following splenectomy for myeloid metaplasia (LE), 797
- Morphine-induced pulmonary edema (LE), 367
- Nephrotoxicity of continuous intravenous infusion of recombinant interleukin-2, 1072
- Occult carbon monoxide poisoning: validation of a prediction model, 251
- Post-transplantation T-cell lymphoblastic lymphoma (LE), 181
- Pseudallescheria boydii brain abscess. Complication of an intravenous catheter, 359
- Pure red cell aplasia induced by alpha-methyldopa (LE), 1088
- Rupture of a pulmonary artery mycotic aneurysm associated with candidal endocarditis, 142
- Serious Pseudomonas infections associated with endoscopic retrograde cholangiopancreatography, 590
- Side effects of acetazolamide: the champagne blues (LE), 979
- Sulfadiazine-induced crystalluria in a patient with the acquired immunodeficiency syndrome: a reminder (LE), 791
- Sulfasalazine-induced lupus erythematosus, 535
- Toxic shock syndrome associated with use of a nasal tampon, 629
- Toxins, test tubes, and tampons (E), 579
- Turner's syndrome with anorexia nervosa (LE), 792
- Uric acid nephrolithiasis and acute renal failure secondary to streptozotocin nephrotoxicity, 153
- Vancomycin-induced interstitial nephritis (LE), 561
- Ventricular tachycardia due to pentamidine isethionate (LE), 980
- Vitamin A abuse in cancer prophylaxis (LE), 372

**Aging**

- Age-associated decline in cardiac allograft rejection (LE), 1092
- Diabetes mellitus in elderly patients (LE), 562
- Hereditary spherocytosis in the elderly, 513
- Non-insulin-dependent diabetes in older patients (LE), 977
- Nosocomial infections in the elderly. Increased risk per hospital day, 661
- Relationship of penile brachial pressure index to myocardial infarction and cerebrovascular accidents in older men, 445

**AIDS**

- Acquired immunodeficiency syndrome-associated arthritis, 810
- Association of human immunodeficiency virus infection and autoimmune phenomena, 82
- Central nervous system histoplasmosis. An unappreciated complication of the acquired immunodeficiency syndrome, 215
- Changing patterns of infectious diseases, 569

- Cholestasis and disseminated cytomegalovirus disease in patients with the acquired immunodeficiency syndrome, 218
- Clindamycin in cerebral toxoplasmosis (LE), 800
- Clostridium difficile colitis following antiviral therapy in the acquired immunodeficiency syndrome (LE), 1081
- Disseminated Mycobacterium haemophilum infection in two patients with the acquired immunodeficiency syndrome, 640
- Endocrine disorders in men infected with human immunodeficiency virus, 611
- High-grade lymphomas complicating HIV infection in intravenous drug users (LE), 368
- Listeriosis: an uncommon opportunistic infection in patients with acquired immunodeficiency syndrome. A report of five cases and a review of the literature, 162
- Pneumocystis carinii thyroiditis, 303
- Rectal leishmaniasis in a patient with acquired immunodeficiency syndrome, 307
- Sulfadiazine-induced crystalluria in a patient with the acquired immunodeficiency syndrome: a reminder (LE), 791
- To help the sick: an historical and ethical essay concerning the refusal to care for patients with AIDS (MSS), 135
- Treatment of central nervous system toxoplasmosis with pyrimethamine/sulfadiazine combination in 35 patients with the acquired immunodeficiency syndrome. Efficacy of long-term continuous therapy, 94

**AIDS-related complex**

- Association of human immunodeficiency virus infection and autoimmune phenomena, 82
- Endocrine disorders in men infected with human immunodeficiency virus, 611

**Air-fluid levels**

- Lung bullae with air-fluid levels (LE), 564

**Albumin**

- Coexistence of familial dysalbuminemic hyperthyroxinemia with familial hypercholesterolemia and multiple lipoprotein type hyperlipidemia, 345
- Single kidney function: effect of acute protein and water loading on microalbuminuria, 711

**Alcohol**

- Effect of low-dose alcohol use versus abstinence on apolipoproteins A-I and B, 884
- Stone Agers in the fast lane: chronic degenerative diseases in evolutionary perspective, 739

**Alkalosis**

- On the mechanism by which chloride corrects metabolic alkalosis in man, 449

**Almitrine bismesylate**

- Long-term effects of almitrine bismesylate on oxygenation during wakefulness and sleep in chronic obstructive pulmonary disease, 436

**Aluminum**

- Histochemical demonstration of iron but not aluminum in a case of dialysis-associated osteomalacia, 775

**Alzheimer's disease**

- Dementia (LE), 179

**Amphotericin B**

- Amphotericin B-resistant yeast infection in severely immunocompromised patients, 826

**Amyl nitrite**

- Health hazards of nitrite inhalants, 479

**Anemia**

- Cardiopulmonary and gas exchange responses to acute strenuous exercise at 1,270 meters in sickle cell trait, 377
- Effect of moderate inspiratory hypoxia on exercise performance in sickle cell trait, 1033
- Hereditary spherocytosis in the elderly, 513
- Osteosclerotic metastases with severe hypocalcemia, parathyroid hormone resistance, anemia, and cardiac failure (LE), 175
- Pure red cell aplasia induced by alpha-methyldopa (LE), 1088
- Rapid transient reversal of anemia and long-term effects of maintenance intravenous immunoglobulin for autoimmune hemolytic anemia in patients with lymphoproliferative disorders, 691
- Re-treatment of aplastic anemia with antithymocyte globulin or antilymphocyte serum, 678
- Sudden death in sickle trait (E), 459

**Aneurysm**

- Rupture of a pulmonary artery mycotic aneurysm associated with candidal endocarditis, 142

**Angina**

- Factors affecting sensitivity and specificity of a diagnostic test: the exercise thallium scintigram, 699
- Hemodynamic responses to noninvasive external cardiac pacing, 395

**Angiography**

- Chest pain: relationship of psychiatric illness to coronary arteriographic results, 1

**Anorexia nervosa**

- Turner's syndrome with anorexia nervosa (LE), 792

**Antenucci, Arthur J.**

- In memoriam, 375

**Antibodies**

- Autoantibodies to the insulin receptor as a cause of autoimmune hypoglycemia in systemic lupus erythematosus, 334
- Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339
- Lupus anticoagulant and portal hypertension (LE), 566

**Anticoagulants**

- Appraisal of various thrombolytic agents in the treatment of acute myocardial infarction (LE), 980
- Comparison of thrombolytic therapy for acute myocardial infarction in rural and urban settings (LE), 181
- Failure of warfarin in treatment of calcinosis universalis (LE), 795

- Gastrointestinal bleeding in patients receiving long-term anticoagulant therapy, 683
- Hemodialysis with low-molecular-weight heparin in high-risk hemorrhagic patients with acute renal failure (LE), 566
- Lupus anticoagulant and portal hypertension (LE), 566
- Antidiuretic hormone**
- Natriuresis and atrial natriuretic factor secretion during inappropriate antidiuresis, 409
- Antigens**
- Associations of HLA-DR4 with rheumatoid factor and radiographic severity in rheumatoid arthritis, 257
- Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339
- Antilymphocyte serum**
- Re-treatment of aplastic anemia with antithymocyte globulin or antilymphocyte serum, 678
- Anti-Ro**
- Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339
- Anti-thymocyte globulin**
- Anti-thymocyte globulin overdosage—risk or potential benefit? (LE), 369
- Re-treatment of aplastic anemia with antithymocyte globulin or antilymphocyte serum, 678
- Anxiety**
- Benzodiazepine withdrawal: overview and implications for the treatment of anxiety, 1041
- Aortic dissection**
- Acute paraplegia: a presenting manifestation of aortic dissection, 765
- Apolipoprotein**
- Abnormal lipid metabolism in treated hypertensive patients with non-insulin-dependent diabetes mellitus, 899
- Effect of low-dose alcohol use versus abstinence on apolipoproteins A-I and B, 884
- Arrhythmias**
- Prognostic importance of cardiac arrhythmias in systemic sclerosis, 1007
- Arteriography**
- Chest pain: relationship of psychiatric illness to coronary arteriographic results, 1
- Arteritis**
- Frequency of peripheral neuropathy in Horton's disease and polymyalgia rheumatica (LE), 175
- Arthritis**
- Abnormalities in CD4+ T-lymphocyte subsets in inflammatory rheumatic diseases, 817
- Acquired immunodeficiency syndrome-associated arthritis, 810
- Associations of HLA-DR4 with rheumatoid factor and radiographic severity in rheumatoid arthritis, 257
- Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339
- Pyogenic cervical osteomyelitis presenting as a massive prevertebral abscess in a patient with rheumatoid arthritis, 363
- Ascites**
- Acute effects of peritoneovenous shunting on plasma atrial natriuretic peptide in cirrhotic patients with massive refractory ascites, 112
- Aspiration**
- Fine needle aspiration of the thyroid (LE), 798
- Asthenia**
- Divorce of mitral valve prolapse and neurocirculatory asthenia (LE), 183
- Atherosclerosis**
- Accelerated atherosclerosis (LE), 1093
- Atherosclerosis and coronary bypass surgery in hereditary factor VII deficiency, 955
- Risk factors for accelerated atherosclerosis in renal transplant recipients, 985
- Stone Agers in the fast lane: chronic degenerative diseases in evolutionary perspective, 739
- Sudden death in a 29-year-old woman (CPC), 265
- Atrial natriuretic factor**
- Acute effects of peritoneovenous shunting on plasma atrial natriuretic peptide in cirrhotic patients with massive refractory ascites, 112
- Natriuresis and atrial natriuretic factor secretion during inappropriate antidiuresis, 409
- Autoantibodies**
- Autoantibodies to the insulin receptor as a cause of autoimmune hypoglycemia in systemic lupus erythematosus, 334
- Automated ambulatory monitoring**
- Comparison of labetalol and prazosin in hypertensive patients using automated ambulatory monitoring, 904
- Azathioprine**
- Azathioprine hypersensitivity. Case report and review of the literature, 960
- Azidothymidine**
- Clostridium difficile colitis following antiviral therapy in the acquired immunodeficiency syndrome (LE), 1081
- Bacterial infection**
- Actinomyces meyerii breast abscess (LE), 369
- Cefoperazone versus combination antibiotic therapy of hospital-acquired pneumonia, 68, 1091
- Changing patterns of infectious diseases, 569
- Characteristics and antibiotic therapy of adult meningitis due to penicillin-resistant pneumococci, 839
- Clostridium difficile colitis following antiviral therapy in the acquired immunodeficiency syndrome (LE), 1081
- Comparison of norfloxacin with cotrimoxazole for infection prophylaxis in acute leukemia. The trade-off for reduced gram-negative sepsis, 847
- Disseminated Mycobacterium haemophilum infection in two patients with the acquired immunodeficiency syndrome, 640
- Dysgonic fermenter 3-associated gastrointestinal disease in a patient with common variable hypogammaglobulinemia, 315
- Erythema induratum and active pulmonary tuberculosis, 784
- Escherichia coli emphysematous endophthalmitis and pyelonephritis. Case report and review of the literature, 636
- Hospital survey of antimicrobial prophylaxis to prevent endocarditis in patients with prosthetic heart valves, 617
- Hypercalcemia and abnormal 1,25-dihydroxyvitamin D concentrations in leprosy, 325
- Indolent epidemic of Pseudomonas cepacia bacteremia and pseudobacteremia in an intensive care unit traced to a contaminated blood gas analyzer, 75
- Infection in a patient with polycystic kidney and liver disease: noninvasive localization and treatment (LE), 1082
- Listeriosis: an uncommon opportunistic infection in patients with acquired immunodeficiency syndrome. A report of five cases and a review of the literature, 162
- Long-term oral ciprofloxacin: experience in the treatment of incurable infective endocarditis, 786
- Melioidosis: a reminder, 965
- Mycoplasma hominis septicemia after heart surgery (LE), 976
- Nosocomial transmission of tuberculosis from unsuspected disease, 833
- Pneumococcal lung abscess (LE), 793
- Pyogenic cervical osteomyelitis presenting as a massive prevertebral abscess in a patient with rheumatoid arthritis, 363
- Randomized trial of beta-lactam regimens in febrile neutropenic cancer patients, 581
- Rothia dentocariosa endocarditis complicated by brain abscess, 352
- Serious Pseudomonas infections associated with endoscopic retrograde cholangiopancreatography, 590
- Toxic shock syndrome associated with use of a nasal tampon, 629
- Toxins, test tubes, and tampons (E), 579
- Treatment of pneumonia in patients at risk of infection with gram-negative bacilli, 597
- Tuberculosis of the sacroiliac joint: clinical features, outcome, and evaluation of closed needle biopsy in 11 consecutive cases, 622
- Balloon valvuloplasty**
- Left ventricular dysfunction due to chronic right ventricular pressure overload. Resolution following percutaneous balloon valvuloplasty for pulmonary stenosis, 157
- Left ventricular dysfunction due to chronic right ventricular pressure overload (LE), 1097
- Benzodiazepines**
- Benzodiazepine withdrawal: overview and implications for the treatment of anxiety, 1041
- Bernheim's syndrome**
- Left ventricular dysfunction due to chronic right ventricular pressure overload (LE), 1097
- Beta blockers**
- Beta-blocker therapy and clinical depression (LE), 559

**Biopsy**

- Lymphoma presenting as acute renal failure (LE), 366
- Tuberculosis of the sacroiliac joint: clinical features, outcome, and evaluation of closed needle biopsy in 11 consecutive cases, 622
- Wegener's granulomatosis: diagnosis by transbronchial lung biopsy, evaluation by gallium scintigraphy and treatment with sulfamethoxazole/trimethoprim (LE), 371

**Bleeding**

- Arthropathy and surgery in congenital factor VII deficiency, 771
- Atherosclerosis and coronary bypass surgery in hereditary factor VII deficiency, 955
- Comparison of thrombolytic therapy for acute myocardial infarction in rural and urban settings (LE), 181
- Correlation between size of esophageal varices and risk of gastrointestinal hemorrhage: clinical and esophagoscopy study (LE), 1090
- Endobronchial telangiectasias and hemoptysis in scleroderma, 173
- Gastrointestinal bleeding in patients receiving long-term anticoagulant therapy, 683
- Goodpasture's syndrome: recurrence after a five-year remission. Case report and review of the literature, 751
- Hemodialysis with low-molecular-weight heparin in high-risk hemorrhagic patients with acute renal failure (LE), 566
- Hemorrhagic cystitis due to herpes simplex virus as a marker of disseminated herpes infection, 632
- Lymphadenopathy in Waldenström's macroglobulinemia causing extrahepatic portal hypertension and massive gastrointestinal hemorrhage (LE), 974
- X-linked lymphoproliferative syndrome. Identification of a large family in Switzerland, 529

**Blood gases**

- Cardiopulmonary and gas exchange responses to acute strenuous exercise at 1,270 meters in sickle cell trait, 377
- Effect of moderate inspiratory hypoxia on exercise performance in sickle cell trait, 1033
- Indolent epidemic of *Pseudomonas cepacia* bacteremia and pseudobacteremia in an intensive care unit traced to a contaminated blood gas analyzer, 75
- Sudden death in sickle trait (E), 459

**Blood pressure**

- Abnormal lipid metabolism in treated hypertensive patients with non-insulin-dependent diabetes mellitus, 899
- Comparison of labetalol and prazosin in hypertensive patients using automated ambulatory monitoring, 904
- Correlation between size of esophageal varices and risk of gastrointestinal hemorrhage: clinical and esophagoscopy study (LE), 1090
- Echocardiographic recognition of pulmonary arterial disease and determination of its cause, 384

- Lupus anticoagulant and portal hypertension (LE), 566
- Lymphadenopathy in Waldenström's macroglobulinemia causing extrahepatic portal hypertension and massive gastrointestinal hemorrhage (LE), 974
- Non-insulin-dependent diabetes in older patients (LE), 977
- Overnight clonidine suppression test in the diagnosis and exclusion of pheochromocytoma, 993
- Pseudohypertension in a young woman (LE), 794
- Pseudohypertension masquerading as malignant hypertension. Case report and review of the literature, 539
- Stone Agers in the fast lane: chronic degenerative diseases in evolutionary perspective, 739
- The enigma of insulin resistance and hypertension (LE), 1096
- The enigma of insulin resistance and hypertension. Insulin resistance, blood pressure, and the circulation, 505
- Urinary digoxin-like immunoreactive substance in pregnancy (LE), 564

**Bone disease**

- Bone mass measurement: which site to measure? (E), 643
- Calcitriol in the treatment of postmenopausal osteoporosis, 401
- Histochemical demonstration of iron but not aluminum in a case of dialysis-associated osteomalacia, 775
- Hungry bone syndrome: clinical and biochemical predictors of its occurrence after parathyroid surgery, 654
- Measurement of spinal or peripheral bone mass to estimate early postmenopausal bone loss? 646
- Osteosclerotic metastases with severe hypocalcemia, parathyroid hormone resistance, anemia, and cardiac failure (LE), 175
- Periosteal new bone formation and disseminated granulomatosis in a patient with Crohn's disease, 330
- Pyogenic cervical osteomyelitis presenting as a massive prevertebral abscess in a patient with rheumatoid arthritis, 363
- Research directions in osteoporosis, 275
- Systemic necrotizing vasculitis causing bone necrosis (LE), 1085
- Tuberculosis of the sacroiliac joint: clinical features, outcome, and evaluation of closed needle biopsy in 11 consecutive cases, 622

**Bulla**

- Lung bullae with air-fluid levels (LE), 564

**Butyl nitrite**

- Health hazards of nitrite inhalants, 479

**Bypass**

- Atherosclerosis and coronary bypass surgery in hereditary factor VII deficiency, 955

**Calcinosis universalis**

- Failure of warfarin in treatment of calcinosis universalis (LE), 795

**Calcitriol**

- Calcitriol in the treatment of postmenopausal osteoporosis, 401

**Calcium**

- Failure of warfarin in treatment of calcinosis universalis (LE), 795
- Hypercalcemia and abnormal 1,25-dihydroxyvitamin D concentrations in leprosy, 325
- Osteosclerotic metastases with severe hypocalcemia, parathyroid hormone resistance, anemia, and cardiac failure (LE), 175
- Prevalence and clinical implications of hypocalcemia in acutely ill patients in a medical intensive care setting, 209
- Recurrent hypercalcemia and elevated 1,25-dihydroxyvitamin D levels in Hodgkin's disease, 165
- The enigma of insulin resistance and hypertension (LE), 1096

**Calcium channel blockers**

- Hormonal and metabolic effects of calcium channel antagonists in man, 492

**Candida**

- Rupture of a pulmonary artery mycotic aneurysm associated with candidal endocarditis, 142
- Spectrum of gas within the kidney: emphysematous pyelonephritis and emphysematous pyelitis (LE), 800

**Carbohydrates**

- Large variations of sucrose in constant carbohydrate diets in type II diabetes, 193

**Carbon monoxide**

- Occult carbon monoxide poisoning: validation of a prediction model, 251

**Carcinoid syndrome**

- Ectopic ACTH syndrome caused by a bronchial carcinoid tumor responsive to dexamethasone, metyrapone, and corticotropin-releasing factor, 760

**Carcinoma**

- A new chest mass in a 49-year-old man with a transplanted kidney (CPC), 121
- A 77-year-old man with a pleural effusion (CPC), 941
- Cardiovascular collapse and death in a 55-year-old woman with cervical cancer (CPC), 463
- Central nervous system metastases from non-Hodgkin's lymphoma: treatment and prophylaxis, 425
- Death in a 56-year-old man with hyponatremia, fluid retention, and multiple cancers (CPC), 727
- Diethylstilbestrol, clear cell adenocarcinoma, and striking discoveries in Norway (LE), 184
- Hepatocellular carcinoma after spontaneous regression of extensive small cell lung cancer (LE), 178
- High-grade lymphomas complicating HIV infection in intravenous drug users (LE), 368
- Lymphadenopathy in Waldenström's macroglobulinemia causing extrahepatic portal hypertension and massive gastrointestinal hemorrhage (LE), 974
- Lymphoma presenting as acute renal failure (LE), 366
- Lymphoma presenting with adrenal insufficiency. Adrenal enlargement on computed tomographic scanning as a clue to diagnosis, 169

- Mediastinal liposarcoma in a patient infected with the human immunodeficiency virus (LE), 366
- Minimal change glomerulonephropathy and interstitial infiltration with mycosis fungoides, 756
- Peripheral T-cell lymphoma presenting as hyper eosinophilia with vasculitis (LE), 565
- Post-transplantation T-cell lymphoblastic lymphoma (LE), 181
- Randomized trial of beta-lactam regimens in febrile neutropenic cancer patients, 581
- Rapid transient reversal of anemia and long-term effects of maintenance intravenous immunoglobulin for autoimmune hemolytic anemia in patients with lymphoproliferative disorders, 691
- Recurrent hypercalcemia and elevated 1,25-dihydroxyvitamin D levels in Hodgkin's disease, 165
- Skin involvement in non-secretory myeloma (LE), 373
- Stone Agers in the fast lane: chronic degenerative diseases in evolutionary perspective, 739
- Treatment of epidural cord compressions from Hodgkin's disease with chemotherapy. A report of two cases and a review of the literature, 555
- Vitamin A abuse in cancer prophylaxis (LE), 372
- Cardiac disease**
- Abnormal lipid metabolism in treated hypertensive patients with non-insulin-dependent diabetes mellitus, 899
- Accelerated atherosclerosis (LE), 1093
- Acute neurologic and psychiatric complications associated with cocaine abuse (LE), 978
- Acute paraplegia: a presenting manifestation of aortic dissection, 765
- Age-associated decline in cardiac allograft rejection (LE), 1092
- Appraisal of various thrombolytic agents in the treatment of acute myocardial infarction (LE), 980
- Atherosclerosis and coronary bypass surgery in hereditary factor VII deficiency, 955
- Azathioprine hypersensitivity. Case report and review of the literature, 960
- Cardiopulmonary and gas exchange responses to acute strenuous exercise at 1,270 meters in sickle cell trait, 377
- Chest pain: relationship of psychiatric illness to coronary arteriographic results, 1
- Comparison of labetalol and prazosin in hypertensive patients using automated ambulatory monitoring, 904
- Comparison of thrombolytic therapy for acute myocardial infarction in rural and urban settings (LE), 181
- Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339
- Correlation between size of esophageal varices and risk of gastrointestinal hemorrhage: clinical and esophagoscopy study (LE), 1090
- Dietary supplementation with omega-3 polyunsaturated fatty acids in patients with stable coronary heart disease. Effects on indices of platelet and neutrophil function and exercise performance, 45
- Dietary supplementation with omega-3 polyunsaturated fatty acids in patients with stable coronary heart disease (LE), 1095
- Divorce of mitral valve prolapse and neurocirculatory asthenia (LE), 183
- Echocardiographic recognition of pulmonary arterial disease and determination of its cause, 384
- Effect of low-dose alcohol use versus abstinence on apolipoproteins A-I and B, 884
- Effect of moderate inspiratory hypoxia on exercise performance in sickle cell trait, 1033
- Effect of positive end-expiratory pressure on right ventricular performance. Importance of baseline right ventricular function, 57
- Factors affecting sensitivity and specificity of a diagnostic test: the exercise thallium scintigram, 699
- Hemodynamic responses to noninvasive external cardiac pacing, 395
- Hospital survey of antimicrobial prophylaxis to prevent endocarditis in patients with prosthetic heart valves, 617
- Intrapericardial teratoma in an adult (LE), 1089
- Left ventricular dysfunction due to chronic right ventricular pressure overload. Resolution following percutaneous balloon valvuloplasty for pulmonic stenosis, 157
- Left ventricular dysfunction due to chronic right ventricular pressure overload (LE), 1097
- Long-term oral ciprofloxacin: experience in the treatment of incurable infective endocarditis, 786
- Lupus anticoagulant and portal hypertension (LE), 566
- Lymphadenopathy in Waldenström's macroglobulinemia causing extrahepatic portal hypertension and massive gastrointestinal hemorrhage (LE), 974
- Mitral valve prolapse, cerebral ischemia, and protein S deficiency (LE), 974
- Non-insulin-dependent diabetes in older patients (LE), 977
- Osteosclerotic metastases with severe hypocalcemia, parathyroid hormone resistance, anemia, and cardiac failure (LE), 175
- Overnight clonidine suppression test in the diagnosis and exclusion of pheochromocytoma, 993

Letters to the Editor (cont'd.)

Divorce of mitral valve prolapse and neurocirculatory asthenia, 183  
Do not go slowly into that dark night: mercy killing in Holland, 978  
Emphysematous pyelonephritis, 176  
Failure of warfarin in treatment of calcinosis universalis, 795  
Fine needle aspiration of the thyroid, 798  
Frequency of peripheral neuropathy in Horton's disease and polymyalgia rheumatica, 175  
Hemodialysis with low-molecular-weight heparin in high-risk hemorrhagic patients with acute renal failure, 566  
Hepatocellular carcinoma after spontaneous regression of extensive small cell lung cancer, 178  
High-grade lymphomas complicating HIV infection in intravenous drug users, 368  
High incidence of relapse in thrombotic thrombocytopenic purpura, 983  
Infection in a patient with polycystic kidney and liver disease: noninvasive localization and treatment, 1082  
Intrapericardial teratoma in an adult, 1089  
Is blood lactate determination really reliable and useful in critically ill patients with liver disease? 374  
Is digital rectal examination in men a cause of transient proteinuria? 791  
Left ventricular dysfunction due to chronic right ventricular pressure overload, 1097  
Lung bullae with air-fluid levels, 564  
Lupus anticoagulant and portal hypertension, 566  
Lymphadenopathy in Waldenström's macroglobulinemia causing extrahepatic portal hypertension and massive gastrointestinal hemorrhage, 974  
Lymphoma presenting as acute renal failure, 366  
Massive hepatomegaly following splenectomy for myeloid metaplasia, 797  
Mediastinal liposarcoma in a patient infected with the human immunodeficiency virus, 366  
Mitral valve prolapse, cerebral ischemia, and protein S deficiency, 974  
Morphine-induced pulmonary edema, 367  
Mycoplasma hominis septicemia after heart surgery, 976  
Non-insulin-dependent diabetes in older patients, 977  
On the positioning of a nasogastric tube, 563  
Osteosclerotic metastases with severe hypocalcemia, parathyroid hormone resistance, anemia, and cardiac failure, 175  
Peripheral T-cell lymphoma presenting as hyper eosinophilia with vasculitis, 565  
Pneumococcal lung abscess, 793  
Poor survival of patients with idiopathic cardiomyopathy considered too well for transplantation, 797  
Post-transplantation T-cell lymphoblastic lymphoma, 181  
Potential benefit of tocinide in the treatment of ciguatera: report of three cases, 1087

- Efficacy of long-term continuous therapy, 94

**Rabies**

- Immunologic study of human encephalitic and paralytic rabies. Preliminary report of 16 patients, 673

**Radiography**

- Associations of HLA-DR4 with rheumatoid factor and radiographic severity in rheumatoid arthritis, 257

**Raynaud's phenomenon**

- Familial clustering of scleroderma spectrum disease, 1023
- Prospective study of the evolution of Raynaud's phenomenon, 18

**Renal disease**

- Acyclovir-induced renal failure. Clinical course and histology, 1067
- A new chest mass in a 49-year-old man with a transplanted kidney (CPC), 121
- De novo focal glomerulosclerosis after kidney transplantation, 310
- Emphysematous pyelonephritis (LE), 176
- Escherichia coli emphysematous endophthalmitis and pyelonephritis. Case report and review of the literature, 636
- Focal segmental glomerulosclerosis in patients receiving lithium carbonate, 951

- Goodpasture's syndrome: recurrence after a five-year remission. Case report and review of the literature, 751

- Hemodialysis with low-molecular-weight heparin in high-risk hemorrhagic patients with acute renal failure (LE), 566

- IgA nephropathy, the most common glomerulonephritis worldwide. A neglected disease in the United States? (E), 129

- Infection in a patient with polycystic kidney and liver disease: noninvasive localization and treatment (LE), 1082

- Kaposi's sarcoma: the most common tumor after renal transplantation in Saudi Arabia, 225

- Lymphoma presenting as acute renal failure (LE), 366

- Minimal change glomerulonephropathy and interstitial infiltration with mycosis fungoides, 756

- Nephrotoxicity of continuous intravenous infusion of recombinant interleukin-2, 1072

- Predictors of survival in patients undergoing dialysis, 855

- Results of subtotal parathyroidectomy in hemodialysis patients, 23

- Risk factors for accelerated atherosclerosis in renal transplant recipients, 985

- Single kidney function: effect of acute protein and water loading on microalbuminuria, 711

- Spectrum of gas within the kidney: emphysematous pyelonephritis and emphysematous pyelitis (LE), 800

- Uric acid nephrolithiasis and acute renal failure secondary to streptozotocin nephrotoxicity, 153

- Vancomycin-induced interstitial nephritis (LE), 561

**Renal drug clearance**

Predicting creatinine clearance and renal drug clearance in obese patients from estimated fat-free body mass, 1053

**Research**

Fraud, distortion, delusion, and consensus: the problems of human and natural deception in epidemiologic science, 475

Statistical Whiggery (LE), 370

**Respiratory muscles**

Hypophosphatemia-associated respiratory muscle weakness in a general inpatient population, 870

**Rheumatoid arthritis**

Abnormalities in CD4+ T-lymphocyte subsets in inflammatory rheumatic diseases, 817

Associations of HLA-DR4 with rheumatoid factor and radiographic severity in rheumatoid arthritis, 257

Pyogenic cervical osteomyelitis presenting as a massive prevertebral abscess in a patient with rheumatoid arthritis, 363

**Right ventricle**

Effect of positive end-expiratory pressure on right ventricular performance. Importance of baseline right ventricular function, 57

Left ventricular dysfunction due to chronic right ventricular pressure overload. Resolution following percutaneous balloon valvuloplasty for pulmonic stenosis, 157

Left ventricular dysfunction due to chronic right ventricular pressure overload (LE), 1097

**Risk factors**

Risk factors for accelerated atherosclerosis in renal transplant recipients, 985

Stone Agers in the fast lane: chronic degenerative diseases in evolutionary perspective, 739

**Rothia dentocariosa**

Rothia dentocariosa endocarditis complicated by brain abscess, 352

**Sacroiliac joint**

Tuberculosis of the sacroiliac joint: clinical features, outcome, and evaluation of closed needle biopsy in 11 consecutive cases, 622

**Scintigraphy**

Factors affecting sensitivity and specificity of a diagnostic test: the exercise thallium scintigram, 699

Wegener's granulomatosis: diagnosis by transbronchial lung biopsy, evaluation by gallium scintigraphy and treatment with sulfamethoxazole/trimethoprim (LE), 371

**Scleroderma**

Endobronchial telangiectasias and hemoptysis in scleroderma, 173

Familial clustering of scleroderma spectrum disease, 1023

POEMS syndrome presenting as systemic sclerosis. Clinical and pathologic study of a case with microangiopathic glomerular lesions, 524

Prognostic importance of cardiac arrhythmias in systemic sclerosis, 1007

Prospective study of the evolution of Raynaud's phenomenon, 718

**Seizures**

Acute neurologic and psychiatric complications associated with cocaine abuse (LE), 978

Factors predisposing to seizures in seriously ill infected patients receiving antibiotics: experience with imipenem/cilastatin, 911

**SIADH**

Natriuresis and atrial natriuretic factor secretion during inappropriate antidiuresis, 409

**Sickle cell trait**

Cardiopulmonary and gas exchange responses to acute strenuous exercise at 1,270 meters in sickle cell trait, 377

Effect of moderate inspiratory hypoxia on exercise performance in sickle cell trait, 1033

Sudden death in sickle cell trait (E), 459

**Single-photon absorptiometry**

Bone mass measurement: which site to measure? (E), 643

Measurement of spinal or peripheral bone mass to estimate early postmenopausal bone loss? 648

**Sjögren's syndrome**

Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339

**SLE**

Association of human immunodeficiency virus infection and autoimmune phenomena, 82

Autoantibodies to the insulin receptor as a cause of autoimmune hypoglycemia in systemic lupus erythematosus, 334

Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339

Sulfasalazine-induced lupus erythematosus, 535

Systemic lupus erythematosus and Klinefelter's syndrome (LE), 180

**Sleep disorders**

Long-term effects of almitrine bismesylate on oxygenation during wakefulness and sleep in chronic obstructive pulmonary disease, 436

**Smoking**

Stone Agers in the fast lane: chronic degenerative diseases in evolutionary perspective, 739

**Sodium**

Clinical assessment of extracellular fluid volume in hyponatremia (LE), 562

Natriuresis and atrial natriuretic factor secretion during inappropriate antidiuresis, 409

**Spherocytosis**

Hereditary spherocytosis in the elderly, 513

**Splenectomy**

Massive hepatomegaly following splenectomy for myeloid metaplasia (LE), 797

**Spontaneous regression**

Hepatocellular carcinoma after spontaneous regression of extensive small cell lung cancer (LE), 178

**SSA**

Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339

**Staphylococcus**

Pyogenic cervical osteomyelitis presenting as a massive prevertebral abscess in a patient with rheumatoid arthritis, 363

**Statistics**

Statistical Whiggery (LE), 370

**Stenosis**

Left ventricular dysfunction due to chronic right ventricular pressure overload. Resolution following percutaneous balloon valvuloplasty for pulmonic stenosis, 157

Left ventricular dysfunction due to chronic right ventricular pressure overload (LE), 1097

**Streptokinase**

Appraisal of various thrombolytic agents in the treatment of acute myocardial infarction (LE), 980

Comparison of thrombolytic therapy for acute myocardial infarction in rural and urban settings (LE), 181

**Streptozotocin**

Uric acid nephrolithiasis and acute renal failure secondary to streptozotocin nephrotoxicity, 153

**Sucrose**

Large variations of sucrose in constant carbohydrate diets in type II diabetes, 193

**Sudden death**

Discharge decision-making in a medical intensive care unit. Identifying patients at high risk of unexpected death or unit readmission, 863

Sudden death in a 29-year-old woman (CPC), 265

Sudden death in sickle cell trait (E), 459

**Sulfadiazine**

Sulfadiazine-induced crystalluria in a patient with the acquired immunodeficiency syndrome: a reminder (LE), 791

Treatment of central nervous system toxoplasmosis with pyrimethamine/sulfadiazine combination in 35 patients with the acquired immunodeficiency syndrome. Efficacy of long-term continuous therapy, 94

**Sulfamethoxazole**

Wegener's granulomatosis: diagnosis by transbronchial lung biopsy, evaluation by gallium scintigraphy and treatment with sulfamethoxazole/trimethoprim (LE), 371

**Sulfasalazine**

Sulfasalazine-induced lupus erythematosus, 535

**Syndrome of inappropriate secretion of antidiuretic hormone**

Natriuresis and atrial natriuretic factor secretion during inappropriate antidiuresis, 409

**Systemic lupus erythematosus**

Association of human immunodeficiency virus infection and autoimmune phenomena, 82

Autoantibodies to the insulin receptor as a cause of autoimmune hypoglycemia in systemic lupus erythematosus, 334

Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339

(Continued on inside page)

**Systemic lupus erythematosus (cont'd.)**

- Sulfasalazine-induced lupus erythematosus, 535
- Systemic lupus erythematosus and Klinefelter's syndrome (LE), 180

**Tampons**

- Toxic shock syndrome associated with use of a nasal tampon, 629
- Toxins, test tubes, and tampons (E), 579

**Telangiectasia**

- Endobronchial telangiectasias and hemoptysis in scleroderma, 173

**Teratoma**

- Intracardiac teratoma in an adult (LE), 1089

**Terminating medical care**

- A review of the ethical and legal aspects of terminating medical care, 291

**Thallium scintigraphy**

- Factors affecting sensitivity and specificity of a diagnostic test: the exercise thallium scintigram, 699

**Thrombocytopenia**

- High incidence of relapse in thrombotic thrombocytopenic purpura (LE), 983

**Thrombosis**

- Appraisal of various thrombolytic agents in the treatment of acute myocardial infarction (LE), 980
- Comparison of thrombolytic therapy for acute myocardial infarction in rural and urban settings (LE), 181
- Lupus anticoagulant and portal hypertension (LE), 566
- Mitral valve prolapse, cerebral ischemia, and protein S deficiency (LE), 974

**Thrombotic thrombocytopenic purpura**

- High incidence of relapse in thrombotic thrombocytopenic purpura (LE), 983

**Thyroid disease**

- Community outbreak of thyrotoxicosis: epidemiology, immunogenetic characteristics, and long-term outcome, 10
- Fine needle aspiration of the thyroid (LE), 798
- Pneumocystis carinii thyroiditis, 303
- Prediction and reversal of blunted ventilatory responsiveness in patients with hypothyroidism, 877
- Thyroid test abnormalities in traumatic brain injury: correlation with neurologic impairment and sympathetic nervous system activation, 201
- Treatment of non-toxic multinodular goiter with radioactive iodine, 19

**Thyroiditis**

- Pneumocystis carinii thyroiditis, 303

**Thyrotoxicosis**

- Community outbreak of thyrotoxicosis: epidemiology, immunogenetic characteristics, and long-term outcome, 10

**Thyroxine**

- Coexistence of familial dysalbuminemic hyperthyroxinemia with familial hypercholesterolemia and multiple lipoprotein type hyperlipidemia, 345

**Tocainide**

- Potential benefit of tocainide in the treatment of ciguatera: report of three cases (LE), 1087

**Toxicity**

- Acyclovir-induced renal failure. Clinical course and histology, 1087
- Amelioration of vincristine neurotoxicity by glutamic acid, 1016
- Association of hyperinsulinemia with chlorpropamide toxicity, 33
- Chloroquine neuromyotoxicity (LE), 568
- Ethylene glycol intoxication: evaluation of kinetics and crystalluria, 145
- Nephrotoxicity of continuous intravenous infusion of recombinant interleukin-2, 1072
- Potential benefit of tocainide in the treatment of ciguatera: report of three cases (LE), 1087
- Uric acid nephrolithiasis and acute renal failure secondary to streptozotocin nephrotoxicity, 153
- Vitamin A abuse in cancer prophylaxis (LE), 372

**Toxic shock syndrome**

- Toxic shock syndrome associated with use of a nasal tampon, 629
- Toxins, test tubes, and tampons (E), 579

**Toxoplasmosis**

- Clindamycin in cerebral toxoplasmosis (LE), 800
- Treatment of central nervous system toxoplasmosis with pyrimethamine/sulfadiazine combination in 35 patients with the acquired immunodeficiency syndrome. Efficacy of long-term continuous therapy, 94

**Transplantation**

- Age-associated decline in cardiac allograft rejection (LE), 1092
- Anti-thymocyte globulin overdosage—risk or potential benefit? (LE), 369
- Azathioprine hypersensitivity. Case report and review of the literature, 960
- De novo focal glomerulosclerosis after kidney transplantation, 310
- Kaposi's sarcoma: the most common tumor after renal transplantation in Saudi Arabia, 225
- Poor survival of patients with idiopathic cardiomyopathy considered too well for transplantation (LE), 797
- Post-transplantation T-cell lymphoblastic lymphoma (LE), 181
- Risk factors for accelerated atherosclerosis in renal transplant recipients, 985

**Trauma**

- Thyroid test abnormalities in traumatic brain injury: correlation with neurologic impairment and sympathetic nervous system activation, 201
- Wound zygomycosis (mucormycosis) in otherwise healthy adults, 546

**Trichosporon beigellii**

- Prosthetic valve endocarditis caused by Trichosporon beigellii, 355

**Trimethoprim**

- Wegener's granulomatosis: diagnosis by transbronchial lung biopsy, evaluation by gallium scintigraphy and treatment with sulfamethoxazole/trimethoprim (LE), 371

**TSST-1**

- Toxic shock syndrome associated with use of a nasal tampon, 629
- Toxins, test tubes, and tampons (E), 579

**Tuberculosis**

- Erythema induratum and active pulmonary tuberculosis, 784
- Nosocomial transmission of tuberculosis from unsuspected disease, 833
- Tuberculosis of the sacroiliac joint: clinical features, outcome, and evaluation of closed needle biopsy in 11 consecutive cases, 622

**Turner's syndrome**

- Turner's syndrome with anorexia nervosa (LE), 792

**Uric acid**

- Uric acid nephrolithiasis and acute renal failure secondary to streptozotocin nephrotoxicity, 153

**Vaccination**

- Evaluating individualized medical decision analysis (E), 289
- Guiding individual decisions: a randomized, controlled trial of decision analysis, 283

**Vaginal carcinoma**

- Diethylstilbestrol, clear cell adenocarcinoma, and striking discoveries in Norway (LE), 184

**Valvuloplasty**

- Left ventricular dysfunction due to chronic right ventricular pressure overload. Resolution following percutaneous balloon valvuloplasty for pulmonic stenosis, 157
- Left ventricular dysfunction due to chronic right ventricular pressure overload (LE), 1097

**Vancomycin**

- Characteristics and antibiotic therapy of adult meningitis due to penicillin-resistant pneumococci, 839
- Randomized trial of beta-lactam regimens in febrile neutropenic cancer patients, 581
- Vancomycin-induced interstitial nephritis (LE), 561

**Varices**

- Correlation between size of esophageal varices and risk of gastrointestinal hemorrhage: clinical and esophagoscopy study (LE), 1090

**Vascular disease**

- Association of human immunodeficiency virus infection and autoimmune phenomena, 82
- Autoantibodies to the insulin receptor as a cause of autoimmune hypoglycemia in systemic lupus erythematosus, 334
- Complete congenital heart block followed by anti-Ro/SSA in adult life. Studies of an informative family, 339
- Endobronchial telangiectasias and hemoptysis in scleroderma, 173
- Failure of warfarin in treatment of calcinosis universalis (LE), 795
- Familial clustering of scleroderma spectrum disease, 1023
- Frequency of peripheral neuropathy in Horton's disease and polymyalgia rheumatica (LE), 175
- Peripheral T-cell lymphoma presenting as hyper eosinophilia with vasculitis (LE), 565
- POEMS syndrome presenting as systemic sclerosis. Clinical and pathologic study of a case with microangiopathic glomerular lesions, 524

- Prognostic importance of cardiac arrhythmias in systemic sclerosis, 1007
- Prospective study of the evolution of Raynaud's phenomenon, 718
- Pseudohypertension masquerading as malignant hypertension. Case report and review of the literature, 539
- Relationship of penile brachial pressure index to myocardial infarction and cerebrovascular accidents in older men, 445
- Sulfasalazine-induced lupus erythematosus, 535
- Systemic lupus erythematosus and Klinefelter's syndrome (LE), 180
- Systemic necrotizing vasculitis causing bone necrosis (LE), 1085
- Treatment response with bilateral mixed deafness and facial palsy in polyarteritis nodosa (LE), 1081
- Vasculitis**
- Peripheral T-cell lymphoma presenting as hypereosinophilia with vasculitis (LE), 565
- Systemic necrotizing vasculitis causing bone necrosis (LE), 1085
- Ventricular tachycardia**
- Termination of ventricular tachycardia by chest wall stimulation during DDD pacing. A report of two cases, 549
- Useful clinical criteria for the diagnosis of ventricular tachycardia, 53
- Ventricular tachycardia due to pentamidine isethionate (LE), 980
- Vincristine**
- Amelioration of vincristine neurotoxicity by glutamic acid, 1016
- Viral infection**
- Acquired immunodeficiency syndrome-associated arthritis, 810
- Association of human immunodeficiency virus infection and autoimmune phenomena, 82
- Changing patterns of infectious diseases, 569
- Cholestasis and disseminated cytomegalovirus disease in patients with the acquired immunodeficiency syndrome, 218
- Disseminated herpes zoster in patients with human immunodeficiency virus infection, 1076
- Endocrine disorders in men infected with human immunodeficiency virus, 611
- Evaluating individualized medical decision analysis (E), 289
- Factitious dermatosis masquerading as recurrent herpes zoster, 781
- Guiding individual decisions: a randomized, controlled trial of decision analysis, 283
- Hemorrhagic cystitis due to herpes simplex virus as a marker of disseminated herpes infection, 632
- Herpes simplex virus infection of the hand. A profile of 79 cases, 89
- High-grade lymphomas complicating HIV infection in intravenous drug users (LE), 368
